

The dark magician stole the ancestral druidic artifact. Bring it back to complete the druid magic circle

The Quest for the Druidic Ritual

1. Entrance Hall

A grand hall with a large carpet and pillars. Two corridors lead to other parts of the dungeon. (8) Split by an impassable chasm.

(B) Secret passage visible from the cave.

2. Sturdy Iron Door.

3. Corridor with Three Doors

(I) Right door is securely locked.

4. Abandoned Library

Two stone gargoyles attack when entering. Switch opens door (2), releasing three giant rats. (J) Hidden passage behind bookshelves. Books reveal information about the place. Statues are dangerous.

5. Storage Room

Basic loot: food and trinkets.

6. Dark Magician's Quarters

Healing potion and combat spell scroll on the table.

7. Dark Magician's study room

Key for the old armory (11) and prison's door (12). Hidden magical manuscript to open the magical sealed doors (20).

9. Flooded Corridor

Giant rats attack from the sewers. 10. Flooded Room

Filthy water. Crate (C) with loot and a key for the magician's quarters door (I).

11. Old Armory. Old, rusty weapons.

12. Prison

Aggressive goblin in cell (D). Sack with a note about rumors of a secret passage near the library and quarters (J).

13. Crypt.

Statue of a knight awakens, guarding the crypt.

(E) Slightly open tomb hinting at a secret passage.

14. Crypt Wall Hole leading to a chest with an artifact for the final golem fight.

15. Trapped Corridor

Floor spikes and poisoned arrows. Traps can be disarmed.

16. Risky Passage

Narrow path near the wall with lava at the bottom of the chasm.

17. Forbidden Ossuary

Stream of lava flows in the middle, falling into a chasm that splits the room. Three skeletons awaken. Two skeletal foot soldiers rise from coffins, and one skeletal archer shoots arrows from the other side of the chasm.

(k) Dangerous platform passage above lava. Flimsy bridge.

(F) Wooden planks to cross to platform (21).

18. Second part of the Hall

Other side of the chasm. Basic loot in crate and two magically sealed doors.

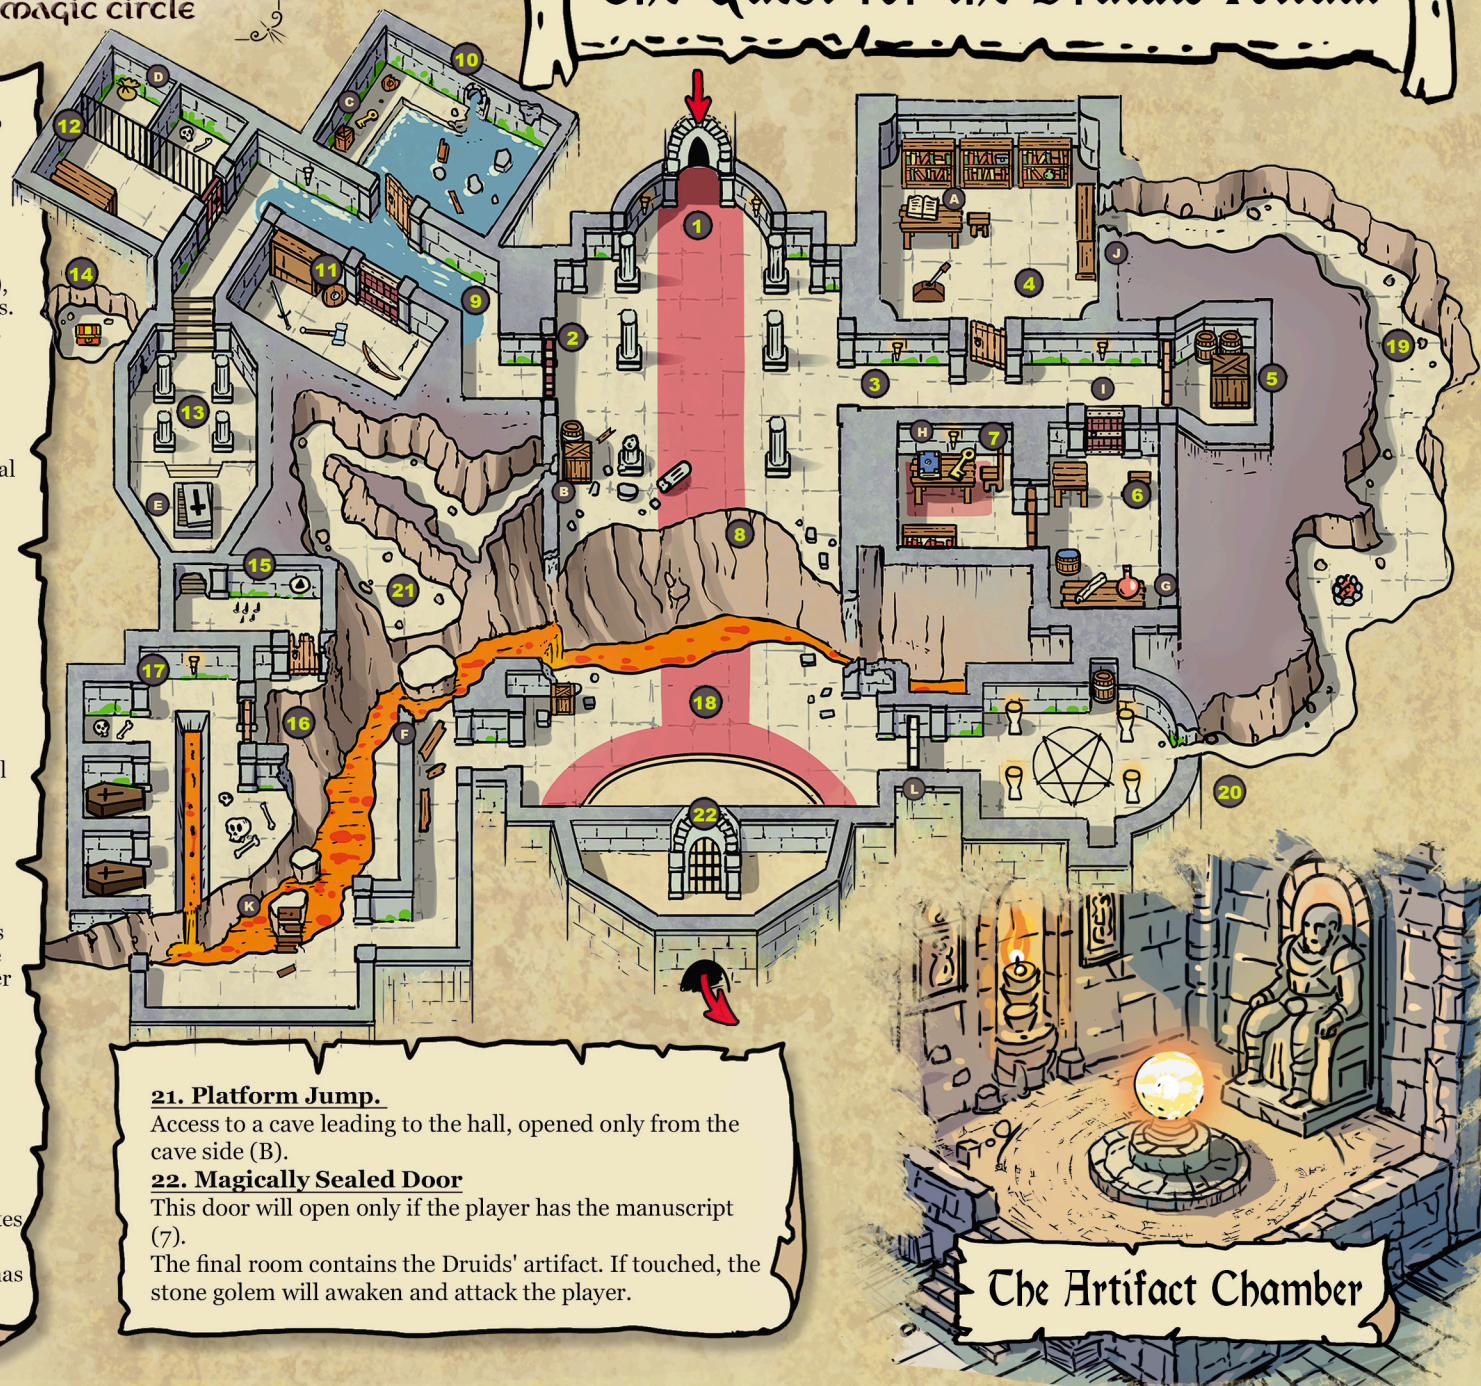

19. Cave Secret Passage

Leads to a camp with three ratmen attackers.

20. Ritual Room

Carcass in the middle. With manuscript from room 7, it reanimates and attacks. That's the pathetic magician's old carcass.

(L) The door is magically sealed and will only open if the player has the manuscript. An iron-barred window allows the player to see into the room beyond.

21. Platform Jump.

Access to a cave leading to the hall, opened only from the cave side (B).

22. Magically Sealed Door

This door will open only if the player has the manuscript (7).

The final room contains the Druids' artifact. If touched, the stone golem will awaken and attack the player.
