ACTION

Channel Divinity: Turn Undead

Cost: 1 Channel Divinity

As a Magic action, you present your Holy Symbol and censure Undead creatures. Each Undead of your choice within 30 feet of you must make a **DC 14** Wisdom saving throw. If the creature fails its save, it has the Frightened and Incapacitated conditions for 1 minute. For that duration, it tries to move as far from you as it can on its turns. This effect ends early on the creature if it takes any damage, if you have the Incapacitated condition, or if you die.

ACTION

Cost: 1 Channel Divinity

Use the above resource to choose if you are healing or inflicting damage and what type of damage
You are dealing Radiant Damage to target creature

As a Magic action, you point your Holy Symbol at another creature you can see within 30 feet of yourself and focus divine energy at it. Roll **1d8 + 4**. You either restore Hit Points to the creature equal to that total or force the creature to make a **DC 14** Constitution saving throw. On a failed save, the creature takes Necrotic or Radiant damage (your choice) equal to that total. On a successful save, the creature takes half as much damage (round down).

HEROIC INSPIRATION

If you have Heroic Inspiration, you can expend it to reroll any die immediately after rolling it, and you must use the new roll.

MAGIC INITIATE (WIZARD)

You gain the following benefits:

- Two Cantrips. You learn two cantrips of your choice from the Druid spell list. Intelligence, Wisdom, or Charisma is your spellcasting ability for this feat's spells (choose when you select this feat).
- Level 1 Spell. Choose a level 1 spell from the same list you selected for this feat's cantrips. You always have that spell prepared. You can cast it once without a spell slot, and you regain the ability to cast it in that way when you finish a Long Rest. You can also cast the spell using any spell slots you have.
- Spell Change. Whenever you gain a new level, you can replace one of the spells you chose for this feat with a different spell of the same level from the chosen spell list.
- Repeatable. You can take this feat more than once, but you must choose a different spell list each time.

SPELLCASTING [CLERIC]

As a conduit for divine power, you can cast cleric spells. See Spells Rules for the general rules of spellcasting and the Spells Listing for the Cleric spell list.

PROTECTOR

Trained for battle, you gain proficiency with Martial weapons and training with Heavy armor.

CHANNEL DIVINITY

You start with two such effects: Divine Spark and Turn Undead, each of which is described below. Each time you use this class's Channel Divinity, choose which Channel Divinity effect from this class to create. You gain additional effect options at higher Cleric levels.

The first is the weapon's normal range in feet, and the second indicates the weapon's maximum range. When attacking a target beyond normal range, you have disadvantage on the attack roll. You can't attack a target beyond the weapon's long range.
- **Ammunition (Arrow).** You can use a weapon that has the Ammunition property to make a ranged attack only if you have ammunition to fire from it. The type of ammunition required is specified with the weapon's range. Each attack expends one piece of ammunition. Drawing the ammunition is part of the attack (you need a free hand to load a one-handed weapon). After a fight, you can spend 1 minute to recover half the ammunition (round down) you used in the fight; the rest is lost.
- **Two-Handed.** A Two-Handed weapon requires two hands when you attack with it.

Spell Attack Bonus: 6

Maximum prepared spells: 1

TRUE STRIKE

Guided by a flash of magical insight, you make one attack with the weapon used in the spell's casting. If the attack deals damage, it can be Radiant damage or the weapon's normal damage type (your choice).

ACID SPLASH

Casting Time: Action

Range: 60 feet

Components: Verbal, Somatic

You create an acidic bubble at a point within range, where it explodes in a 5-foot-radius Sphere. Each creature in that Sphere must succeed on a **DC 14** Dexterity saving throw or take **1d6** Acid damage.

UNSEEN SERVANT

1st-level conjuration (ritual)

Casting Time: Action

Range: 60 feet

Components: Ritual, Verbal, Somatic, Material (a bit of string and of wood)

Duration: 1 hour

This spell creates an Invisible, mindless, shapeless, Medium force that performs simple tasks at your command until the spell ends. The servant springs into existence in an unoccupied space on the ground within range. It has AC 10, 1 Hit Point, and a Strength of 2, and it can't attack. If it drops to 0 Hit Points, the spell ends.

Once on each of your turns as a Bonus Action, you can mentally command the servant to move up to 15 feet and interact with an object. The servant can perform simple tasks that a human could do, such as fetching things, cleaning, mending, folding clothes, lighting fires, serving food, and pouring drinks. Once you give the command, the servant performs the task to the best of its ability until it completes the task, then waits for your next command.

If you command the servant to perform a task that would move it more than 60 feet away from you, the spell ends.
