KNIGHTS CLASS FEATURES

As a Knight you Gain the following class Features when you reach the specified knight level. These features are listed on the Knight Features table.

LEVEL 1:SPELLCASTING

You have learnt how to cast spells through training and discipline. See chapter 7 for the rules of spellcasting
Cantrips. you know three cantrips of your choice from the Knight sell list. when you gain a knight level you can replace one of your cantrips with another cantrip of your

choise from the Knights spell list. your cantrips slots increase with your level as per the knight Features table.

Spell Slots. The Knight Feature table shows how many spell slots you have at cast at your level1+ spells. you regain all expended slot after you finish a long rest

Prepared Spells of level1+. you prepare the list of level1+ spells that are available for you to cast with this feature. The number of spells you can have prepared and the number of spells you can cast and at what level is indicated in the knights Feature table. spells that are prepared due to a knights ability do not count toward your prepared spells.

Changing Your Prepared Spells. after finishing a long rest your Knight can change one of the prepared spell with any of the spells on the Knight spell list for which you have spell slots

Spellcasting Ability Wisdom is your spellcasting ability for your Knight.

Spellcasting Focus A Emerald helps you focus your magic but your Knights training is the true source

LEVEL 1: FIGHTING STYLE

You have Honed your martial prowess and gain a Fighting style feat of your choice (see chapter 5). you can replace the fighting feat with a nother one every time you chang levels.

LEVEL 1: WEAPON MASTERY

your training with weapons allows you to use the mastery properties of three kinds of simple or martial weapons of your choice. Whenever you finish a long rest you can practice weapon drills and change one of those choices.

LEVEL 2: BATTLE TRAINED

As a bonus action, you can make one attack with a weapon or an Unarmed strike. You can use this Bonus Action a number of times equal to your Wisdom modifier (minimum of once). You regain all expended uses when you finish a short or long rest.

LEVEL 2: GUIDED STRIKE

When you or a creature within 30 feet of you misses with an attack roll, you can expend one use of your Emerald Talent points and give that roll a +10 bonus, potentially causing it to hit. when you use this feature to benefit another creatures attack roll, you must take a Reaction to do so.
